

Starlab Fees

Option one: \$300 Classroom Option

An instructor will bring the Starlab to your site. We can provide up to 3 programs per day. Each program lasts approximately 45 minutes, and can accommodate up to 25-30 students/staff. Instructor can arrive as early as 8:30 a.m. (*negotiable for local schools). An additional fee of \$100 includes set up and break down of Starlab equipment and travel up to 30 miles.

Additional cost of mileage and lodging may be required for 30+ miles.

Additional programs may be added at \$100 per session. (*example: 5 groups in one day within 30 miles = \$600*)

Option Two: \$300 Larger Group Option

An instructor will bring the Starlab to your site for 3 hours. The amount of time each group will spend in the star lab will be determined by the number of people in attendance. Each program lasts approximately 20-30 minutes, and can accommodate up to 25-30 students. Instructor must be able to arrive as early as 45 minutes prior to the event. An additional fee of \$100 includes set up and break down of Starlab equipment and travel up to 30 miles. Additional miles traveled or overnight lodging may require additional fee as listed above.

Very Important Starlab Information

Room size: We need a room with at least 11' ceilings and 21' floor space in both directions. The dome is intended for inside use only.

Generally, presentations start no earlier than 9:00am; however, this is negotiable, depending on the driving distance and location of site.

We can do three 45-minute programs per day.

When possible we're happy to customize program content to meet your needs.

The dome can handle a total of 25-30 individuals.

An invoice (to be paid within 30 days after the event) will be mailed/faxed to you.

Please fill in additional information below to help set up your group times and dates.
